

Food Chains

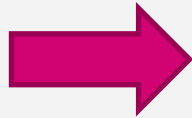

Casper J. Breuker & Melanie Gibbs

UK Centre for
Ecology & Hydrology

Plant

Caterpillar

Bird

Look at the food chain above, use this food chain to answer the 4 questions below:

1. What is the producer in this food chain?
2. What is the primary consumer in this food chain?
3. What is the secondary consumer in this food chain?
4. What is the prey of the bird?.....

Challenge: Can you think of an example of a predator that might eat the bird?

.....
