1.1 The Royal Entomological Society of London is a scientific Society instituted for the improvement and diffusion of Entomological Science.

CHAPTER 2 REGISTERED OFFICE OF THE SOCIETY

2.1 The registered office of the Society is in England and is at The Mansion House, Chiswell Green Lane, Chiswell Green, St. Albans, Hertfordshire AL2 3NS.

2.2 Notice of any change in the situation of the registered office shall be sent, within 14 days thereafter, to the membership and such statutory bodies as may be concerned in the matter.

PART 2 – BOARD OF TRUSTEES

CHAPTER 3 THE COUNCIL

Composition of the Council

3.1 The affairs of the Society shall be conducted by a Council who shall be the charity trustees of the Society.

3.2 There shall be not less than eight and not more than sixteen members of Council. The Society may from time to time by resolution at a General Meeting increase or decrease the number of members of Council and may also determine in what rotation such increase or decrease shall retire.

3.3 The Council shall consist of:

- (a) the President;
- (b) the President Elect;
- (c) the Past President;

- (d) the members of Council elected or appointed in accordance with Chapters 5 and 6; and
 - (e) at least one Early Career Entomologist, preferably elected by the membership in accordance with Chapter 5 but appointed by the Council if necessary.
- 3.4 No one shall be elected or appointed as a member of Council unless they have attained the age of 18 years at the time of their election or appointment. Members of Council shall be elected or appointed with due regard having been given to the diverse and broad range of skills and experience required for the proper control and oversight of the management of the Society.
- 3.5 A copy of every resolution appointing or electing a member of Council together with any supporting documentation required by English law shall be available for inspection by the representatives of any statutory body that may be concerned in the matter.
- 3.6 Subject to the provisions in these Bye-Laws relating to the President, President Elect and Past President, all members of Council shall serve for four years and may be re-elected for a further four-year term to run consecutively. No retiring member of Council shall be eligible for reelection until at least one year has elapsed.
- 3.7 A casual vacancy amongst the members of Council shall be filled by the Council in accordance with Chapter 6 of these Bye-Laws.

Proceedings of the Council

- 3.8 A quorum shall be six Trustees and no business shall be conducted or proposal voted on by the Council, except a proposal to call another meeting, unless a quorum is present.
- 3.9 The Council may meet for the despatch of business, adjourn and afterwards regulate its meetings as it thinks fit, always provided that at least four meetings per year are held at such times as they may determine.
- 3.10 Notice of the date and time of each Council meeting shall be forwarded by the Chief Executive to each member of Council. There shall be no minimum notice period for calling Council meetings. The accidental omission to give notice of a Council meeting to, or the non-receipt of a notice by, any member of Council shall in no way invalidate the proceedings of the meeting.
- 3.11 Members of Council participate in Council meetings when the meeting has been called and takes place in accordance with these Bye-Laws and the members of Council can communicate with each other on a particular item of business. It is irrelevant where any member of Council is or how they communicate. Communication may be via suitable electronic or other means as agreed by the Council.
- 3.12 Any persons not at the time serving as members of Council may be invited, by the President, to attend any of the Council's meetings and to speak at the President's invitation. No eligibility to vote shall be conferred by such an invitation.

- 3.13 Issues arising at any meeting of the Council shall be decided by a majority of votes. Every member of Council has one vote on each issue. In the case of an equality of votes, the President or Chair for the time being shall have a double or casting vote.
- 3.14 A resolution in writing circulated to all members of Council who would have been eligible to receive notice of a Council meeting and to vote on the matter at that meeting, is as valid and effectual as a resolution passed at a meeting of the Council if the written resolution is approved by a simple majority of members of Council. Any such written resolution may be contained in more than one document and will be treated as passed on the date of the signature through which a simple majority is reached. Digital signatures are sufficient for the purposes of these Bye-Laws.
- 3.15 The Council shall cause Minutes of its Meetings to be made in a book provided for that purpose. Such Minutes shall be signed by the President, or other person acting as Chair for the time being. A book containing the Minutes of Council meetings shall be either hard copy or electronic form.
- 3.16 All acts done by a Meeting of Council shall, notwithstanding that it is later discovered that there was some defect in the appointment of a member of Council, be as valid as if every such person had been duly appointed and was qualified to serve.
- 3.17 Without prejudice to the provisions of Chapters 5 and 6, if the Council shall at any time be reduced in number to less than eight it shall be lawful for members of Council to act as Trustees for the purposes of appointing a member of Council in accordance with Chapter 6, calling a General Meeting, and participating in the work of the Committee, Working Parties or other bodies established under Chapter 9.

Conflicts of Interest

- 3.18 Trustees must avoid a situation in which an interest or other duty that the Trustees has conflicts with or possibly may conflict with the interests of the Society. There is no infringement if:
- (a) the situation cannot reasonably be regarded as likely to give rise to a conflict of interest;
 - (b) the situation was authorised by the other Trustees in accordance with sub-section 3.19; or
 - (c) the situation related to the purchase of trustee indemnity insurance.
- 3.19 If a conflict of interest or loyalty arises for a Trustee, the unconflicted Trustees may authorise the conflict provided that:
- (a) the conflicted Trustee:
 - (i) declares any direct or indirect interest they might have before discussions begin on the matter in question;
 - (ii) furnishes the Council with particulars of any related business they may have an interest in, or acquire an interest in;
 - (iii) withdraws from the Council meeting for that item until expressly invited by the other Trustees to remain in order to provide information;

- (iv) shall not chair any meeting or speak in favour of the interest declared except as may be required for clarification at the invitation of the Chair;
 - (v) is not counted in the quorum for that part of the Council meeting; and
 - (vi) withdraws from the vote and has not vote on the matter in question;
- (b) authorisation will not result in any benefit being conferred on any member of Council or any connected person that would not be permitted under sub-section 4.4;
 - (c) the interest or interests shall not disqualify the Trustee from the position they hold; and
 - (d) the un-conflicted Trustees consider it is in the best interests of the Society to authorise the conflict of interest in the circumstances.

Trustee Powers

- 3.20 All cheques, negotiable instruments and receipts for monies paid to the Society shall be signed, drawn, accepted, endorsed or otherwise executed as the case may be in such manner as the Council may from time to time determine.
- 3.21 The Council may grant pensions, allowances, gratuities or bonuses to employees or ex-employees of the Society or may establish and maintain Trusts, Funds or Schemes, with a view to providing pensions or other benefits to employees or ex-employees of the Society that are allowable under, and meet the requirements of, English law.
- 3.22 The Council may make provision for the payment of bona fide expenses to any members of Council, members of any Committees or other bodies established under Chapter 9 , or to any Fellow or Member.
- 3.23 The Council may borrow money or take out mortgages subject to such consents as may be required by law.
- 3.24 The Council may employ and remunerate such person or persons as are necessary or desirable to assist with the effective operation and carrying out of the work of the Society. Any remuneration (including provision for the payment of pensions for employees and their dependents) shall be such as the Council may from time to time consider reasonable. The Council shall delegate any of the powers which are conferred on them under these Bye-Laws or the implementation of their decisions or the day to day management of the affairs of the Society to such employees on such terms as they think fit. For the avoidance of doubt, the Council may employ and remunerate a Member or Fellow of the Society under this sub-section, but may not employ a Trustee .
- 3.25 The Council shall establish and maintain an investment strategy and may delegate the management of investments to a financial expert on the following terms:
- (a) the financial expert shall comply with the Society's investment strategy;
 - (b) the financial expert shall report significant matters to the Council promptly;

- (c) the financial expert shall review the performance of investments with the Council regularly;
- (d) the Council may cancel the delegation at any time;
- (e) the investment strategy and the delegation arrangement shall be reviewed by the Council not less than annually;
- (f) all payments to the financial expert shall be on a scale or at a level which is agreed in advance and shall be notified promptly to the Council on receipt; and
- (g) the financial expert shall be prohibited from doing anything outside the powers of the Council.

3.26 The Council may establish or promote or concur in establishing or promoting any other charitable body whose objects are the improvement and diffusion of Entomological Science.

3.27 The Council may make such regulations as from time to time are considered necessary for the convenient discharge of the Council's responsibilities, always provided that all such regulations are in accordance with these Bye-Laws and are compliant with English Law.

CHAPTER 4 TRUSTEE BENEFITS AND INDEMNITY

4.1 All Trustees and employees of the Society shall be indemnified out of the assets of the Society against any liability in respect of losses, costs, charges, damages and expenses which might arise from, or in the course of, their duties, but not against any such liability as, by virtue of any rule of English law or Act of Parliament, would attach to them in respect of any negligence, default, breach of duty or breach of trust in relation to the Society.

4.2 All Trustees and employees of the Society shall be indemnified against any liability incurred by them in defending any proceedings whatsoever, whether civil or criminal, which arise out of their duties with or on behalf of the Society but such indemnity shall not extend to any claim arising from any act or omission which the Trustee or employee of the Society knew to be a breach of trust or breach of duty or which was committed by them in reckless disregard of whether it was a breach of trust or breach of duty, nor shall such indemnity extend to the costs of an unsuccessful defence to criminal proceedings brought against the Trustee or employee of the Society in their capacity as Trustee or employee of the Society.

4.3 The provision of sub-section 4.1 and 4.2 shall be applied in all circumstances subject to all members of Council and employees of the Society complying with the conflict of interest provisions set out in sub-section 3.19.

Benefits to Members and Fellows and Trustees

4.4 The property and funds of the Society must be used only for advancing the Society's objects and do not belong to the membership save that:

- (a) Members and Fellows who are not Trustees may be employed by the Society subject to sub-section 3.24;

- (b) Members and Fellows and Trustees may be paid interest at a reasonable rate on money lent to the Society;
- (c) Members and Fellows and Trustees may be paid a reasonable rent or hiring fee for property let or hired to the Society;

CHAPTER 5 ELECTION OF TRUSTEES

Election of Trustees

- 5.1 The extent of any vacancies to be filled shall be advised at least twelve weeks prior to a General Meeting of the Society at which those vacancies will be filled (“the relevant General Meeting”), by notification to the membership in the House Journal of the Society or by other appropriate (e.g. electronic) means. The notification of vacancies shall make it clear if specific applications are sought for Early Career Entomologist members of Council and, if so, the eligibility requirements for that role.
- 5.2 Nominations for election to serve as a member of Council may be made by the Council or by individual Members or Fellows and shall be subject to the following provisions:
- (a) No employee of the Society shall be eligible to become a member of Council.
 - (b) Each nominee shall be either a Member or Fellow of the Society and shall have submitted a fully completed form of nomination of a type, style or format that shall be approved by the Council from time to time. Such nomination form shall include the following requirements:
 - (i) Each nominee shall indicate in writing their willingness and eligibility to serve for the term of office for which they have been nominated.
 - (ii) Each nominee shall have a proposer and a supporter, each of whom shall have been Fellows or Members for one full year at the date of nomination.
 - (iii) The form will require sufficient personal and professional information as to provide a profile of the nominee.
 - (c) Each nominee shall be able to complete a certificate of probity which shall be of sufficient type, style and format as to demonstrate compliance with the Charities Act current at the

time of nomination and the prohibitions and disqualifications upon persons seeking to serve as charity trustees described therein.

(d) Each nominee shall complete a Statement of Interests outlining any conflicts thereof.

5.3 No nomination shall be accepted if the nominee is in subscription arrears.

5.4 All completed nominations shall have reached the Society by eight weeks preceding the relevant General Meeting and the Society shall communicate the list of nominations to the membership within one month of nominations closing.

5.5 Subject to sub-section 5.13 which governs the election of the President Elect, should the nominations received exceed the number of vacancies for any post, the Council shall prepare a shortlist of at least two eligible candidates per vacancy and a ballot shall be held as described in sub-sections 5.6 to 5.10. In the event of a ballot, the Council may indicate which nominations have its support. Should only one nomination of an eligible candidate be received for any post, the membership will be asked to accept or reject the nomination by way of a "yes/no" vote at the relevant General Meeting. In the event of a "no" vote, the vacancy shall be filled in accordance with the process set out in regulations made under sub-section 3.27.

5.6 In the event of the need for a ballot, four weeks' prior to the relevant General Meeting, the Council shall provide the membership with details of all the vacancies and the nominees to such vacancies together with clear instructions on how to vote, such voting to be completed at least one week prior to the relevant General Meeting.

5.7 The scrutineers of the ballot shall be an employee and two Fellows (not concerned in any way in the ballot nor any person who is a serving Trustee) all of which shall be appointed by the President. The scrutineers shall advise the President or their nominee of the ballot results as soon as possible and the President will announce the results at the relevant General Meeting.

5.8 The ballot result shall be determined by nominees receiving the highest number of votes in a descending order until the number of vacancies has been filled.

5.9 Any Fellow or Member whose subscriptions are overdue by at least six months shall not be entitled to participate in any ballot.

5.10 Should any ballot produce an equality of votes, a further ballot shall be held within three months after the relevant General Meeting under the same ballot regulations and the results announced in the Society's House Journal and website.

5.11 Should the number of completed nominations received not exceed the extent of any vacancies, the nominees shall be subject to a confirmatory yes/no vote of the membership at the relevant General Meeting in accordance with sub-section 5.5.

- 5.12 The accidental omission to give notice or notifications as required in this Chapter or the non-receipt of such notices or notifications shall not invalidate the proceedings of any election.

Election of President Elect

- 5.13 The Council shall consider all of the nominations received for the role of President Elect and shall choose one eligible nominee, who must be a Fellow, who will be submitted to the membership as the Council's preferred candidate, and the membership will be asked to accept or reject the nomination by way of a "yes/no" vote at the relevant General Meeting. In the event of a "no" vote, the President Elect shall be appointed in accordance with the process set out in regulations made under sub-section 3.27.

Terms of Office

- 5.14 As set out in sub-section 3.6, and subject to sub-section 5.16 below, nominees elected to the Council shall serve for a four-year term, unless that term be curtailed by death, resignation or removal from office, and shall have the right to seek re-election for a further consecutive four-year term without the need for further nomination. No member of Council shall be eligible for reelection to Council if they have served for eight consecutive years, unless a break of at least one year has elapsed.
- 5.15 A person appointed to Council as an Early Career Entomologist may continue to serve the remainder of their four-year term even if at some point during that term they no longer meet the eligibility requirements for an Early Career Entomologist.
- 5.16 Nominees for President Elect who are already members of Council need not resign their position as a member of Council before the relevant election takes place. If the nominee is appointed as President Elect they shall, irrespective of the length of term already served as a member of Council, serve for a one-year term as President Elect, followed immediately by a two-year term as President and then a one-year term as Past President (in accordance with the provisions of Chapter 7), unless any of those terms is curtailed by death, resignation or removal as a Trustee. At the end of their term as Past President, they shall not be eligible for re-election as a member of Council.

CHAPTER 6 CASUAL VACANCIES ON THE COUNCIL

- 6.1 If a casual vacancy occurs among the members of Council, the Council may appoint any eligible Fellow or Member to fill the vacancy until the date of a Meeting called in accordance with Chapter 5 for the purposes of electing new members of Council.

CHAPTER 7 PRESIDENT, PRESIDENT ELECT AND PAST PRESIDENT

- 7.1 The President must be a Fellow and shall serve for a term of two years.
- 7.2 The President shall normally preside as Chair at the Annual Meetings of the Society and meetings of the Council, and regulate all the discussions and proceedings therein.
- 7.3 In case of an equality of votes the President shall have a double or casting vote.

- 7.4 At a General Meeting called at least one year before the date on which the President is due to retire, a successor shall be nominated and appointed as President Elect in accordance with the election and ballot regulations described in Chapter 5.
- 7.5 The President Elect shall become President from the conclusion of the General Meeting at which the incumbent President retires and becomes the Past President.
- 7.6 The Past President shall serve for a term of approximately one year from the date of the General Meeting at which they retired as President and shall retire on the date on which the next President Elect is appointed.
- 7.7 At the end of their approximately one-year term of office, a Past President shall cease to be a member of Council and shall not be eligible for re-election as a member of Council. A Past President may not stand for re-election as a member of Council in accordance with the provisions of Chapter 5 even if they have not served for eight consecutive years as a trustee or a break of at least one year has elapsed since their term of office as Past President has ended.
- 7.8 At no point shall a President Elect and a Past President occupy office simultaneously. The Past President shall retire on the date on which the next President Elect is appointed. An individual shall serve for approximately four years under the provisions of this Chapter as follows: one year as President Elect, two years as President, and one year as Past President. The exact dates of the appointments to those roles shall be dependent on the date on which the President Elect is appointed and the incumbent President retires.

CHAPTER 8 VICE-PRESIDENTS

- 8.1 One Vice-President shall be appointed for a period of two years by the President-Elect from among the members of Council and shall be declared at the next General Meeting following their appointment.
- 8.2 In the absence of the President, a Vice-President or President-Elect/Past President in rotation shall fill their place, and shall for the time being have all the authority, power and privileges of the President.
- 8.3 In the absence of the Vice-President or President-Elect/Past President, a member of Council shall preside at Council meetings.

CHAPTER 9 COMMITTEES, WORKING PARTIES AND OTHER BODIES

- 9.1 The Council shall have the power to establish Committees, Working Parties or other bodies, which may consist of Fellows or Members of the Society who are not members of Council to advise them on particular aspects of the Society's affairs, and may delegate to such bodies the Council's powers as the Council may think fit.
- 9.2 The Council shall approve Terms of Reference specifying the authority delegated to each Committee, Working Group or other body and shall review such Terms of Reference annually. The Terms of Reference shall include a requirement that the relevant Committee or other body shall report regularly to the Council (at least once per year but according to the work being carried out by the relevant body).

- 9.3 The Committees or other bodies established under this Chapter shall normally be those established to assist in the areas of Finance, Publications, Meetings, Membership, Science and Policy, Outreach and Development, Education and Training, Equity, Diversity and Inclusivity and the Library.
- 9.4 Any employees as determined by the Council shall be ex-officio members of all Committees and bodies established under this Chapter.
- 9.5 Meetings of Committees or bodies established under this Chapter shall not normally be open to other Fellows or Members except at the invitation of the appointed Chair.
- 9.6 All Trustees shall be members of at least one Committee, Working Party or other body established by the Council under this Chapter and every such Committee or other body shall normally be presided over by a Trustee.
- 9.7 All acts done by a Committee or body established by the Council under this Chapter shall, notwithstanding that it be afterwards discovered that there was some defect in the appointment of a Fellow or Member, be as valid as if every such person had been duly appointed and was qualified to serve.
- 9.8 The Council shall keep proper records of all reports and proceedings of Committees, Working Parties and other bodies established under this Chapter.

CHAPTER 10 SUSPENSION, REMOVAL OR RESIGNATION OF TRUSTEES

- 10.1 A Trustee's term of office automatically terminates if they:
- (a) cease to be a Member or Fellow of the Society;
 - (b) are disqualified under the Charities Act from acting as a charity trustee;
 - (c) are incapable, whether mentally or physically, of managing their own affairs;
 - (d) resign by written notice to the Council, provided that at least eight members of Council will remain in office;
 - (e) are absent from the lesser of three consecutive Council meetings or half of all Council meetings held in one year and are removed by a resolution of the Council approved by a simple majority of those present and voting;
 - (f) are removed by resolution of Council approved by a simple majority after the Council has invited the views of the member of Council concerned and considered the matter in light of any such views; or
 - (g) are removed by a resolution passed at a General Meeting after the meeting has invited the views of the Trustee concerned and considered the matter in light of any such views.
- 10.2 The Council may, by simple majority resolution suspend any Trustee only for good reason and in accordance with the procedures set out in any regulations made under sub-section 3.27.

- 10.3 Where a Trustee is removed from their position as a member of Council, that person shall remain a Fellow or Member of the Society unless also removed from being a Fellow or Member of the Society under the provisions of these Bye-Laws.
